WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing genuine?" "Are they truthful?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

Admiral Badger Says Proposed Battle Cruisers Will Be Most Powerful Ships.

Washington, D. C., Feb. 22.—The 32 knot battle cruisers planned for the new naval program will be the finest and most powerful ships of their class in the world, rear admiral Badger of the naval general board today told the house naval committee. With the highest speed ever attained by heavy fighting craft, and main batteries of 14 inch guns, he said they would be everywhere superior to any other battle cruisers afloat.

On the new dreadnoughts, he said, ten 16 inch guns, distributed in five turrets, are advocated strongly by the board because all great navies were increasing the size and power of batteries.

Many of the latest European ships, he said, carried 15 inch weapons; it was reported the French were preparing to install 15.4 inch and rumor said both German and British designers were planning for 17 inch on ships to come out in 1918, he said.

Admiral Badger, chief of submarines, said that types of underwater boats to be built.

Referring to the general board's recommendation that the United States navy should equal the strongest in the world by 1923, representative Badger said that the construction of 13 dreadnoughts and an added number of cruisers to equal the navy of England, Admiral Badger admitted that no small program would accomplish the board's policy.

Alkali Makes Soap Bad For Washing Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain unperfumed coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else at all prices. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dirt, dirt and dandruff.—Advertisement.

A Word With Women

Valuable Advice for El Paso Readers.
Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home—read this El Paso woman's convincing statement:

Mrs. P. A. Behring, 1008 E. Boulevard, El Paso, says: "For a number of years, I have used Doan's Kidney Pills and have always found them satisfactory. I occasionally have pains in the small of my back. Doan's Kidney Pills never fail to give me relief. Others of my family have also used this medicine and it has always given good results."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Behring had. Foster-McBurg Co., Props., Buffalo, N. Y.—Adv.
